### **Geauga Public Health has a fresh new look**

**Chardon, Ohio – February 4, 2019** – Geauga Public Health has a refreshed brand. The public is encouraged to check out our new webpage at <http://gphohio.org>, follow us on Facebook at [www.facebook.com/GPHOHIO/](http://www.facebook.com/GPHOHIO/), and on Twitter at @GPHOhio. The new digital presence is intended to make it easier for the public to access information and keep informed about public health issues in Geauga County.

New Health Commissioner, Tom Quade, says, “This is perfect timing as our team is moving forward with renewed energy, focus, and leadership. It’s great to celebrate that with a new look and we appreciate the collaboration with the team at the Geauga County Department of Information Technology for getting this accomplished.”

With any transition of digital presence, there will be items that still need to be updated. There may be remnants of old information that need updating as the new brand is rolled out.
