

June 13, 1956

The Geauga County Board of Health certifies to the Board of County Commissioners that the amount of money necessary to meet the expenses of the Geauga County Health District will not be forthcoming out of district health fund because the taxes within the ten mill limitation will be insufficient.

The Board of Health requests that a levy of one-fourth of a mill for a period of five years be submitted to the electors at the November, 1956 election.

### The results reported at the November 14, 1956 Board of Health Meeting:

The Board was very much pleased with the vote on the quarter mill levy. The vote was 9,054 in favor and 5261 against. The results reflect the attitude of the parent teacher organizations toward the department, and the members of the Board appreciate the work done by these organizations.
