The Board of Health requires programs to cover their expenses and not rely on subsidies.

The fees will be proposed for adoption by the Geauga County Board of Health at their regularly scheduled meeting in August 2025. **Prior to this however, a "public hearing" on these and other fees will be held on Wednesday, July 30, 2025, at 3:30 pm.** This hearing will be held at the Geauga County Administration Building located at 12611 Ravenwood Drive, Suite A333-A334 in Chardon. You are welcome to attend this hearing and voice your opinion.

If you have any questions concerning the license category your operation has been assigned, please call the GPH offices and speak to the Environmental Health Specialist assigned to your operation.
